

Approvals

The half mask shall be approved and certified by the National Institute for Occupational Safety and Health (NIOSH) as a component of a Type C continuous-flow class supplied air respirator (SAR) and/or as a component of a powered air purifying respirator (PAPR) under the Code of Federal Regulations (42 CFR 84) requirements.

Half Mask

- Same mask can be used with low pressure pumps, high pressure breathing air compressors or EVA PAPR
- Available in three sizes (S, M, L)
- Soft, flexible silicone facepiece
- Double exhalation valve system
- Operates efficiently at air pressures between 1.5-20 psig (103-138 kPa), depending on hose length
- Wide field of vision
- Accommodates works wearing prescription or safety glasses
- Can be worn under faceshields, visors and welding helmets
- Assigned Protection Factor (APF) of 50
- Cradle suspension
- Fit Test Kit available

Breathing Tube Assembly

- Offers optional breathing tube covers made from clear Poly or Nomex.
- Approved and available with constant flow control device with 1/2" Industrial Interchange (Hansen compatible) quick disconnect coupler for ambient air pumps.
- Approved and available with constant flow control device with 1/4" quick disconnect coupler for compressed air pumps of the following variety:
 - Industrial Interchange (Hansen Compatible)
- Standard Nylon belt or optional decontamination belt

Airline Supply Hose

- NIOSH approved for use with 25-300 feet of airline supply hose for compressed air.
- NIOSH approved for use with 50-300 feet of airline supply hose for ambient air pumps
- Choice of neoprene reinforced rubber 3/8" I.D. hose or nylon coiled hose for compressed air. 1/2" ID hose for ambient air pumps
- Manufactured specifically to carry breathing air
- Offers 1/2" industrial interchange (Hansen compatible) nipple for ambient air pumps
- Offers 1/4" approved quick disconnect couplers compatible with breathing tube fittings for compressed air
 - Industrial Interchange (Hansen Compatible)

Warranty

- 1 year limited manufacturer warranty for original purchaser from date of purchase
